

MIDLANDS MEANDER 2010

When you go into a new area it is with trepidation, but Brian and I can honestly say that the **Midlands of Natal** has proved, without doubt, to be an area worth exploring in depth. The highlights are perhaps too many to mention here, but we think the **Drakensberg Boys Choir** was by far, one of the best days. We both would like to thank you sincerely for adding to our enjoyment of this sensational area - your participation, company and the memories will stay with us for a long time.
