Monday 9th September: Sesriem / Sossusvlei

Departing Windhoek, we travel into the Namib Desert with its monumental dunes and ever-changing colours. This is the oldest and driest desert on earth; nevertheless it supports a vast diversity of adapted fauna and flora that accentuate this pristine environment even further. Experience the petrified dune landscape on a guided nature drive, followed by a sundowner on one of the awe inspiring dunes. This activity may be moved to the afternoon of the next day if time runs short.

Hotel: Namib Desert Lodge (app. 280 km). Dinner

Tuesday 10th September: Sesriem / Sossusvlei

The best time to experience the Sossusvlei area is at sunrise when the new light paints the dunes and desert plains into a variety of deep reds, apricot and purple – a photographers dream! We travel into the heart of the Namib Desert with the highest sand dunes on earth at Sossusvlei. Experience the majestic yet tranquil Sossusvlei or the surreal Dead Vlei on foot. We enjoy a picnic brunch under age-old Camelthorn trees, before traveling back to our lodge via the gaping Sesriem Canyon.

Hotel: Namib Desert Lodge. Breakfast / Dinner

Wednesday 11th September: Swakopmund

We travel via the Namib Naukluft Park to Swakopmund, an idyllic town situated on the Atlantic Coastline, bordering the Namib Desert. The Ghaub and Kuiseb canyons are geological phenomena when deep lakes covered the entire area millions of years ago. In Swakopmund we have the option of participating in some of the adventurous activities on offer such as scenic flights and dolphin cruises.

Hotel: Europahof (app. 280 km). Dinner / Breakfast

Thursday 12th September: Swakopmund

We have the day at leisure and can enjoy the coastal town in a variety of ways. Stroll through the historic city with its old colonial buildings, take part in optional adventure activities or simply laze along one of the longest beaches the western coast of Africa has to offer.
