HERMANUS IS TOPS!

Our day in Hermanus was great. The visit to Romantiques was special, with the Laurel and Hardy movie bringing back many memories. We all browsed the store and found little bits & pieces to bring home - "When will we ever stop collecting"

We had lunch at the Harbour Rock Restaurant in the New Harbour. Maureen appears to be saying "My lunch looks better than yours!" See the "Happy Bunch" on page 4.

BITS AND BOBS OF INFORMATION

Dawn said "I distinctly remember the pain when sitting in this dentist chair"

Annette did a balancing act on this urinal when using the men's loo and said: "A piece of cake sitting on this urinal"

The ladies loo was being renovated and we took over the men's loo.

PEPENERO

VISIT MONKEY BIZ & CARROL BOYES

I had initially arranged a visit to The Creamery. When I tried to confirm with them, I was told that the manager would be on leave when our visit takes place AND they have stands on the Biscuit Mill market and cannot manage to have visitors just before Saturday market day.

APOLOGIES for this—it is out of my control

However, I was able to arrange a visit to the workshop of **CARROL BOYES** which I believe will be equally appealing!

Our group will be split on arrival in Bo-Kaap and we will visit both Monkey Biz and Carrol Boyes.

Lunch is at **PEPPERERO'S** in Mouille Point..

Some restaurants have that amazing ability to transport you to another place, another time, another state of being altogether. Peperero achieves all that... and then some!

Written on www.yourcapetown.co.za website.

Cost for the day which includes your transport and a TWO COURSE LUNCH is R340.00 per person

Please take note of the outing date-21st June. This change is necessary due to our National Arts Tour starting on 28th.

TIME OUT IS TWELVE

I am still busy finalizing our twelfth anniversary celebrations at the time of going to print! However, I do hope that, once again, you will enjoy the celebrations along with me. One thing that astounds me is how quickly time flies - and none more so than when you are having FUN doing it! I am totally inspired each day by where-to-go and what-to-arrange and now with Brian at my side this has become an 'easier' task - (or is it 'harder' because we now pressurize each other to do more-and-more.)

What we both know is that without your amazing support, we just could not have achieved the past 12 years and we both look forward to 'treating' you with many, many more places to see in the coming years.

So get yourself in a frame of mind to enjoy a good day out in July and to celebrate with Brian and I!

ARE YOU ABLE TO HELP??

The bad economy is having an effect on my obtaining product for gifts at the anniversary lunch. I have sent out countless e mails and even regular suppliers say they 'don't get enough coverage from giving freebies'. Not to be outdone, I thought we can still have some fun on the actual day with receiving gifts if there are some ladies who are prepared to donate gifts! - Chocolates / home made gifts etc! This is a TALL CALL and believe me, there is NO PRESSURE - but if you can help, please speak up!

On a positive note, I have been promised a few gifts, so at this stage, I am not yet giving up on our normal "day of giving". - I just need a bit of help - What about asking family in business??!
