Art in Jacobsbaai - February

The artists with their masterpieces

Gillie with her water colour art

Not only did we do art, we also found time to explore the area and enjoy each others company. Wille Magrietjie (maxed out our credit cards) ; tried to find **cheesecake** with our coffee in Velddrif ; had an amazing 5* **dinner at Abalone House** in Paternoster. We even had the chef personally take us to the combi (this never happens in the big city! (Was he perhaps keen to see us go?). The tour was **full of highlights**. Jacobsbaai is a place that soothes your soul, coupled with the art it had us all coming back to the city after 3 short days, feeling very refreshed.

A group of SEVEN came to Jacobsbaai to learn ART.

Our masterpieces are testimony to what women can do with 9 hours & art AT HEART
Denis, our teacher has promised to share his knowledge with more of you in the Winter months!

The Wellington Harvest Festival

Coach leaves Constantia at 08h45 and Tableview at 09h30.

Saturday 19th March

Each year Wellington opens their wine estates to celebrate the harvest of their Grapes - exciting things are planned for each of the estates. An arm band gains you access to the participating estates and there is plenty of food to buy and entertainment at each of the estates - we will plan our route to make sure we have a 'lunch' stop!

Cost for the day is R320.00 and includes your transport; arm band (which will give you access to the estates); a wine glass and map. We have not included lunch as there is so much to choose from along the route.

Bookings by Friday 11th March and payments by Wednesday 16th March

TRIP ONE - Hazyview / Kruger / Blyde River / Pilgrims Rest

We still have a few places available on this tour. Do not hesitate—the flights are already booked - the accommodation alongside the Sabie River has the name 'Traveltime' waiting for us! We are staying at **Hippo Hollow** in Hazyview, in river front accommodation. Hazyview is central to all the activities in the area. Request a comprehensive brochure.

PRICE for this fully inclusive 6 day trip including coach transport in Mpumalanga, accommodation, *meals and excursions as specified* is [R9,930 per person](#) (land arrangements), with a [single supplement of R750](#). The air transport portion, not included in this price is [R3,571](#) and is subject to variation until the bookings can be confirmed with the airline.

**EXCITEMENT OF VICTORIA FALLS IN ZAMBIA including
A DAY IN CHOBE (and THE GAUTRAIN is included)**

Full details of this exciting tour are available on a separate brochure. This is a 6 day tour which will have us arriving in JHB on the **Sunday afternoon**; enjoying a trip into the **City of Gold on the Gautrain**; overnight near the **Nelson Mandela Square**; next morning return to Oliver Tambo airport on the Gautrain and board your **flight to Livingstone**; spend 4 nights at the **Zambezi Sun**; Tour includes a **full day to Chobe**; a **Sunset Cruise on the African Queen**; a tour to **Mukuni Village**; a guided tour to the **Victoria Falls**.....plenty of excitement.

There is **no direct flight ex Cape Town** to Zambia. It is necessary to fly to JHB and then onto Livingstone. The flight to Livingstone is mid morning (two different airlines); so we **HAVE to go up the day before** (to avoid EARLY flights out of Cape Town and possible delays)

(You might have looked at scheduled tours advertised in the newspaper / magazines and wondered how they can be SO different in price. All we can say is that the majority of these tours offer your flights ex JHB with 3 days at a hotel in Zimbabwe and with very little else!). Check for yourself; we have.

TRIP TWO: Our **Sunset Serenade** tour to LETABA CAMP (Kruger Park) in September has created a lot of Interest. If you are interested PLEASE let us know before the end of March. I have made provisional bookings and am now being pressurized to finalise these bookings! **This tour has as its highlight, 3 evenings (in different locations in the bush around Letaba)** with th Johannesburg Philharmonic Orchestra. Ask anyone from Gauteng—it's the highlight on their calendar and it is very DIFFICULT to secure bookings!

For provisional details please see: www.traveltime.co.za/traveltime/Future/Sunset_serenade.htm

We visit the **West Coast National Park** on Friday 26/8 and overnight in Darling - enjoying dinner prepared for us by Debbie from Hilda's Kitchen .

Next we head to **Nieuwoudtville** for 2 nights, so that we can see many of the highlights of the Bulb Capital of the World. There will be time to visit the **Hantam National Botanical Garden**; **The Quiver Forest**; visit **Loeriesfontein** where there is a windmill museum (only two in the world); the stunning fields of flowers around Nieuwoudtville and more!!! Our last night away is in Clanwilliam—timed to take in the **annual flower show!**

I do need commitment by the end of March for this tour (To pay deposits for popular accommodation in Nieuwoudtville). If you want further details please let me know ASAP so I can get the information to you! **Ask for a Westcoast Flower brochure!**
